By taking part in the event, each competitor agrees and acknowledges that:
 - b) They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves and their crew to such inherent risk while taking part in the event.
 - c) They are responsible for the safety of themselves, their crew, and any property they may bring, whether afloat or ashore.

- d) They accept responsibility for any injury, damage or loss to the extent caused by 4
their own actions or omissions.
- e) The provision of a race management team, patrol boats and other officials and volunteers by the event organiser does not relieve them of their own responsibilities
- f) The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances.

- j) That they are fit to sail and that they believe the boat and crew can compete in the anticipated conditions.

14. Damage Deposit & Assessment Policy

Competitors should show due care and attention to the boats that are provided for their use during the event. Damage to boats causes conflict, delay, and impacts everyone involved. This intends to help minimise damage while ensuring that penalties are consistent, providing more racing at less cost for everyone.

RRS D2.3 and D3.1 permit the umpires or protest committee to decide the penalty when a boat breaks RRS 14. This document explains how damage will be assessed and gives general guidance on the appropriate penalty. When the protest committee has good reasons to do so, it may apply a different penalty.

14.1 Damage Deposit

- a) Each team will be liable for the cost of damage to boats, equipment, and property up to a maximum of 500 euros per incident.
- b) A deposit for this amount will be required at registration and before the team may sail.
- c) When a team is assessed as liable for damage, it shall restore the deposit to the original value to continue sailing.
- d) Damage attributed to competitors generally, or to an unidentified team, will be attributed equally between all teams.
- e) A team may apply to the protest committee to determine their responsibility for

any damage.

5

- f) The deposit, or any remaining balance of the deposit, will be returned after the Championship.

14.2 Damage Assessment

- a) An initial assessment of the damage level will be made on the water as soon as possible following a racing incident.
- b) The initial assessment is for the purpose of Penalties only and is not linked to any damage associated costs which may subsequently be allocated to a Team. Onward assessment of the damage level after further inspection, whether it turns out to be higher or lower, will have no effect on the penalty given by the protest committee but may affect any damage associated costs.

15. Penalties

- a) The protest committee may impose a Penalty to the team of boats that break rule 14.
- b) Penalties of half a race win or more may be applied to a team's race score in the race in which damage occurred or the race sailed nearest in time to that of the incident.

16. Damage Costs

- a) The Race Committee may require a team to make an intermediate payment, to the amount defined in this addendum; against allocated damage costs before the team may sail another event boat.
- b) If a team is required to pay damage costs, and these are not paid at the event, the Organising Authorities will issue an invoice to the skipper. Invoices must be paid (without setoff or deduction) within 14 days unless an extension is agreed with the Organising Authorities.
- c) Failure to pay a damage invoice within 14 days (or any extension period) is a breach of this addendum and the Organising Authorities may:
 - i) add an administrative fee of €50 per invoice to cover the costs of chasing payment.
 - ii) disqualify the team in question without a hearing, this changes RRS 63.1.
 - iii) report the team members to the Protest Committee for investigation under RRS 69.
 - iv) reject any future entries from the Team or Team's School.
- d) The Organising Authority may amend or cancel a damage notice at any time and may reinstate a team disqualified.

17. SCHOOL TEAM REPRESENTATIVE

- a) All teams must be accompanied by a Teacher/Parent or Guardian (over the age of 18)- referred to as the 'School Representative'.
- b) This person may not be a competitor.

- d) The School Representative must Register at Galway City Sailing Club and stay in attendance at the Club for the duration of the event.
- e) The School Representatives will be asked to assist with launching, retrieval, changeover boats and committee boats subject to their experience and abilities.
- f) If the School Representatives cannot be in attendance for the duration of the event, please assign a suitable replacement in their absence, this person must also Register at the club.

NOTICE TO TEAMS: BEHAVIOR AND CONDUCT

1. Please take a minute or so to read this important notice. Your team and supporters will be deemed to have read it if you turn up, so please make sure you have.

2. The Organising Authority hopes you have a great time at the Event and have the best possible racing over the weekend. We have been working hard to make sure the event is as good as possible, and we are here to have as good a time as you hopefully will.

3. However, there is a clear line between having a good time and misbehaviour. All competitors have already agreed to abide by the Racing Rules of Sailing upon entering the event, and the organisers will not tolerate misconduct or misbehaviour by competitors. This applies from the moment you arrive at the event to the time you leave (including all social functions). We rely on the goodwill and co-operation of our hosts and the sailing clubs to host our events and simply cannot afford to damage these important relationships if we are to continue running the best possible events for you.

4. It is your club, as well as you and your team captain that will be held responsible for any misconduct. We have applied this principle before and will do so again if required. Please respect the Club, handle the boats in a respectful manner as they are borrowed for the event and comply with any request from an Official either ashore or afloat.

5. Finally, it is inevitable that from time to time you might disagree with an Officials decision and all our Officials are happy to explain why they have made a particular decision after a race. However, dissent (the dispute of an official's actions or decision in a manner that implies incompetence, prejudice or insult, or behaviour that is offensive to the official concerned) is unacceptable and is unsportsmanlike conduct. If you dissent from an Officials decision, you must expect to receive extra turns or have race wins, no doubt hard earned, deducted.
